

A service to succeed

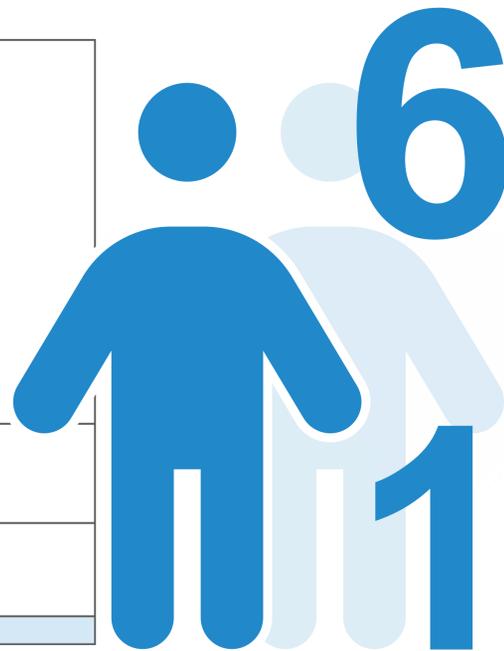

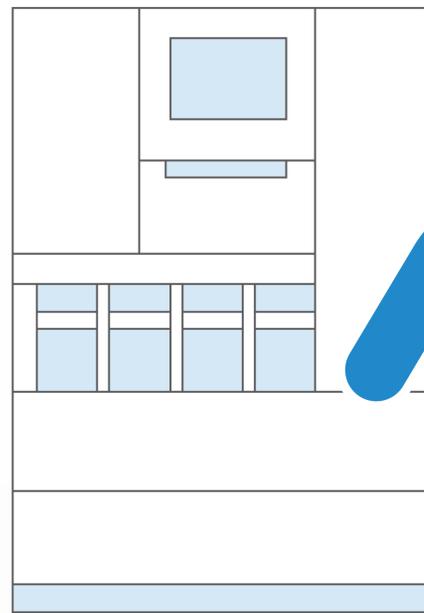

A **Sakura Bridge** testimonial from the laboratory of *Whiston Hospital of Mersey & West Lancashire NHS Trust*

About the lab:

52 
lab personnel

18 
pathologists

~321,000 
slides / year

6 months with Tissue-Tek AutoTEC[®] a120

1 whole time equivalent of lab personnel freed up

Automated batch processing;
now processing **2 hours** multiple times a day

Improved turnaround time

*(Support from Sakura) was **more than we have ever received** in any other project, or from any other supplier / company*
